**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I work from home and it is imperative that I have reliable and fast internet access at all times.

We need to have the choice to pick the best internet Provider. The only way this objective can be achieved is by a competitive market in which different providers offer their services.

If the number of providers is limited in anyway we would lose our flexibility to communicate and collaborate with colleagues across the globe.
